

6 January 1956

MEMORANDUM FOR: Chief, Management Staff
SUBJECT : Proposed Organizational Change, Office of Logistics.
REFERENCE : Memo dtd 5 Jan 56 to C/Mgmt Stf thru DD/S fr D/Log, same subject.

1. I am forwarding herewith a request for T/O change for the Office of Logistics which has requested my prior approval of an increase of six positions in its ceiling.

2. I do not wish to grant this approval prior to your review of the entire package. However, I am satisfied that the Contract Branch of the Office of Logistics is under strength and that its competence must be expanded in order to do its job properly and keep the Agency out of trouble. Whether an increase of six or some other number is proper I shall defer until I have your report. Further, whether a corresponding reduction can be made elsewhere in the Office of Logistics, I don't know. If, in the final analysis, a net increase of six positions is found to be necessary, I am prepared to make the necessary allocation.
